

# Class Registration Policy

Please Read Carefully

## **Cancellations/Refunds**

Due to the volume and popularity of our classes, we are unable to issue refunds or transfer registration to another class if you are unable to attend. However, refunds will be issued if a class is cancelled for any reason. Montgomery General Hospital reserves the right to cancel a program due to insufficient enrollment. In the event of class cancellation, you will be contacted as soon as possible to reschedule your enrollment.

## **Inclement Weather**

In the event of inclement weather, Montgomery General Hospital will follow the closing policy of the Montgomery County Recreation Department and Montgomery County Public Schools. If schools and/or county facilities are closed or close early (relevant to evening classes), Montgomery General Hospital classes will not be held. Please check to see if schools are closed before attending a class if there is any question regarding weather. You may also call the main hospital switchboard at (301) 774-8882 before leaving home.

You will be notified of the rescheduled program date, time and location.
